

School Council Meeting 1.3.23

Present	Evelyn Harrison Charlotte Zachary Harvey	Lucas Nina Cienna	Amari Mila
Minutes from last meeting	Everyone agreed that they are accurate		
First thing to talk about...	Calm Boxes		
<p>GC introduced the Calm Boxes. These have been filled with fidget toys, relaxation exercises, mindfulness colouring, yoga stretches and much more. They are to support children with regulating their emotions. GC introduced how to use them and how they should be stored. Children then went into worship and talked about them with the children.</p> <p>Next meeting – discuss the impact of the calm boxes.</p>			
Second thing to talk about...	Lunchtimes		
<p>Chn like the new playground equipment, especially the basketball post. The new friendship bench is working well and everyone seems happier at lunchtimes. The equipment is being stored correctly now and the playground leaders are organising more play games. School council will continue to monitor this.</p> <p>Some litter has been found on the playground. School Council to liaise with the eco-Warriors about this! GC to mention this in worship.</p>			
Would anyone like to mention anything else?			
<p>The animal charity idea will be Summer term as we have just done a sponsored read for World Book Day. Dogs Trust are able to do an assembly- date to be confirmed. School Council will make posters during the next meeting.</p>
