

Tittensor CE (VC) First School
Equal Opportunities Policy 2022-24

Statement of Intent

We fully accept and welcome that society consists of many diverse groups and individuals and this diversity is an asset to the community, we also recognise that certain groups and individuals are discriminated against and we are opposed to this.

We recognise that we have a moral and legal responsibility to promote equal opportunities and we will pursue equality in all of our work.

This document has been prepared to set out Tittensor First School's commitment and as a statement of our intent. The Policy will be reviewed annually to ensure effective implementation.

Tittensor First School is an Equal Opportunities Organisation. It is committed to the development of policies to provide for equality of opportunity in all aspects of its work. We will work to ensure that all our services are provided in a way that promotes awareness of the rights and needs of people from minority groups and enables all people to access to them.

Tittensor First School will take whatever steps are necessary including, if appropriate, use of the disciplinary mechanisms laid out in the code of conduct, to enforce the Policy. In addition, anyone connected to our group - helper, employee, pupil, parent or volunteer - who considers that he/she is suffering from unequal treatment on any grounds may use this policy to bring it to the school's attention for action.

The Governors will bring to the attention of all employees, pupils, parents and volunteers the provisions of the policy and will provide such training as is necessary to ensure the effective implementation of the Policy.

The Governors shall have responsibility for the operation of the Policy. However, all have a duty to do everything they can to ensure that the Policy operates in practice.
