Message from the Head Teacher

Welcome back to the final school half term of the year. Time has definitely flown this academic year! We have such a lovely half term planned for our wonderful children: Sports Day, Class 3 Production, Rocksteady performance and much more. This is also the time where we reflect on the amazing educational journey our Year 4s have been on as we prepare them for their transition to middle school. We will definitely be making more memories and celebrating every child's achievements in the school, hopefully with some sunshine to guide us! Thank you as always for your support,

Miss Craig

Don't forget to complete your times tables using Times Tables Rock Stars. It is a fantastic App for learning multiplication facts, (Extra Dojos are given to children who use this app regularly).

Pastoral System

We pride ourselves in being equipped to offer emotional and wellbeing support to our children. If you feel that your child needs further support, please contact Miss Craig

headteacher@tittensor.staffs.sch.uk or via Dojo.

Looking after a child or young person's mental health

As parents and carers, there are ways we can support our children to give them the best chance to stay mentally healthy.

Encouraging and guiding a child to think about their own mental health and wellbeing are vital skills you can teach them from a young age.

Find out how you can help a child to have good mental health, including knowing how to talk to a child about their mental health, and when to spot signs they might be struggling.

Please see the NHS website for more information:

All of our school lunches are planned by the children and cooked with fresh local ingredients on site by our cook Mrs Griffiths. We offer a daily salad bar so that our children are getting the vital goodness that they need.

Please see our school Menu on Dojo and external doors for more details.

We have been very lucky over the last six years to keep our school lunch prices low, however, from September the cost of our school lunches will be changing to £2.60 due to the inflation in energy and food prices.

Thank you for your understanding.
